“ My uncle Wallace Black, has always loved his Children and beautiful family! It was nothing he would not do for us. If we needed money for something, and he knew you were trying to help yourself; he wouldn't put in your hand however, he would write a check to the company or the person u need the money for:<))..... He was not about foolishness. He was very educated and knowledgeable about life and what was really happening around the world (ex-military). I could call him about anything especially politics he new the answer. He was a human road map.....if I got lost travelling the highways, I could "MY UNCLE WALLACE BLACK" . He didn't take any wooden nickels. You had to come correct with this uncle. He was about business. He has always told us "TO GET YOUR EDUCATION"!.
Uncle we love you!!!!!!!!!!
