“ *Jenny and family.....we know that this is an extremely difficult time for you all as we celebrate 'thanksgiving'. We are still praying that you will find comfort knowing that Lyn is with the Lord. During this time, though hard, think of the wonderful times you all shared together and the smile he always had on his face. Thank you all for always sharing him with us.*

“ Dr. Kyte made everyone feel like he was their best friend. So for the years I've known him- -1992 - 2013, and for the influence he has had on my life, I feel like I lost my best friend to the cold, frozen hand of death. His memory, his laughter, his wit, the good he did as he passed through this life, will live on forever. He visited, he shared, he gave, now he rests in peace until resurrection morning. We live on in hope...

“ It is with great sadness that the relatives of Dr. Walter Alleyne Kyte extend sincere sympathy to the family of Dr .W.A. Kyte. We are shocked to learn of his sudden passing, but he gave his best, and God has a greater assignment for him. It is difficult to find the right words at this time. Please accept our kind thoughts of sympathy. Submitted by Charles Brindley Kyte and family, Montreal Canada.
