“ The last time we spoke, only a few weeks ago...you taught me a song. You gave me the words, the melody, the hook, and all; But it wasn't the first time. Because when you invited me to speak at your church...we then sang together. Now I realize...it won't be our last. Your song will forever sing in my heart. You are the sweetest melody I've ever known. Even though my heart is broken...every cut is put back together with your love, your wisdom, your compassion, your words sing louder now than forever. My heart goes there. Rest In Heaven Wendell! With deepest sympathy. -Trevor & Dynell 🌹
