“ Wow. So much can be shared about Nick....We shared some fun times, laughing, talking, and out dancing....My most memory of him is that he nicknamed me Hollywood. He said he called me that because everytime he seen me I was always looking so pretty. But the most important thing I know about Nick (I called him Nicholas) is that no matter what he did, unless he was just absolutely not feeling well, he still made his way out to the House of Prayer...One thng for sure I know he had a personal relationship with God...So today, I am convinced that (Nicholas) has a resting place in the bosom of Jesus Christ...I will miss our friend (Nicholas).....he was fun to be around....Sleep on my brother, rest in peace.
