

William Benjamin Watts

September 1, 1955 - March 27, 2024

Willie B. Watts, affectionately known to family and friends as “Skeeter”, was born September 1, 1955 in Winter Park, Florida to parents, Willie B. Lamar and Maella Watts. He attended the Orange County Public Schools, graduating from Hungerford High School in the class of 1974.

Willie was a kind, giving, funny, grateful, outgoing, selfless, dependable person who always greeted others with a warm smile. He was always on the go and embraced life, giving back to his community and helping others. He made it his daily mission to make a difference in someone’s life. He also enjoyed bike riding and was a great dancer.

Willie loved the Lord and lived his life with the bible as his guide. He was a dedicated and faithful member of Redeeming Light Center Church located in Eatonville, Florida under the leadership of Pastor Jermaine Reynolds. He became an ordained Deacon in 2019, which was an accomplishment and call he took serious and honored.

On March 27, 2024 Willie received his final call and transitioned into his eternal rest.

He was preceded in death by his Biological Father, Willie B. Lamar; Biological Mother, Maella Watts; Parents: Bleavie and Milton Watts; and Friend, Rose

Bynum.

Left to cherish his memory are his siblings...Brother, Alfred Watts; Sister, Sally Frederick; Aunts, Cousins, and a host of other loving relatives, community members, and friends.

“ I called him by his full name and he would laugh about that. He will be sorely missed as a lifelong CCG and WP4LIFE member who we grew up with and grew to love. Condolences to the family and friends. Prayers of comfort going up!

“ I am really going to miss my brother stopping by checking on my wife and I along with encouragement about the goodness of God as we also encouraged him. And also, we are going to miss expression of love for the Lord with his quotes. One in particular, “We are all in the house of the Lord, I am just in a different room”. Go ahead, my Brother and take your rest. You will always be remembered and loved by us who you left behind, but God Loved You Best!

I have fond memories of "Skeeter" as a neighbor, especially when we were children, and living across the street from each other. His mom dressed him so nice, like a little gentleman! I'm going to miss seeing him riding his bicycle. He was a good soul. He loved going to church. He was a good person!
