“ *What a wonderful man of God, who loved God and His Family. Last year he brought me a big bag of fish when we were raising money for the Hughley Family Gathering. I know if there is fishing in heaven he will be on the lake.*

“ I didn't know him as long as many, but for the short while that I knew him he was an anointed man and a humble man of God who preached the Word of God and lived the life he preached about, and he loved God and the Independent House of Prayer (I.H.O.P) and his family and everybody he came in contact with. He was also my drumming buddy anytime I went there with my keyboard and when me and Pastor Black and Mother Sermons got together we had a holy ghost good time!!!!!!!!!!!! and he also encouraged me to keep playing for the Lord and always said that he enjoyed the music. Pastor Black R.I.H my friend I will miss seeing you in the pulpit on that green drum!!!! To the Black Family and to the Independent House of Prayer church family you have my sincere condolences may God comfort you during this time of bereavement and transition continue to Hold on to Gods unchanging hand!!!!!!!! from Joseph and Olivia Pierce aka Mama and Papa Bear and also known to the I.H.O.P as Brother Joseph and First lady!!!! be blessed!!!!!!!!!!!!
