“ *Our Lord has called for a Great man to come home but I will continue to carry you in my heart and cherish every moment spent in your presence. Your voice, smile, and laughter ring in my ears to the verge of tears. The humble look in your eyes will always give me strength when needed. Like a young man possessed I will walk with honor and grace as you did Uncle Bobby without a worry in the world knowing you're watching over me. Thanks for all the wonderful memories you have given me and our entire family you will never be forgotten!!! You are truly one of a kind, Love you Champ.*

Til we meet again...

*To my friend of many years. Sadly we haven't had the opportunity to
see or communicate with one another. I have often thought of you and
reached out to you with no response. You deserve your rest and I look
forward to our reunion. God Bless You.*
