“ *Rosa,
I broke down in tears upon my return from Europe when I read the emails of Jim's passing. My and my sons prayers are with you and Noah at this time. Just remember, Jim is over the Rainbow Bridge waiting for Christ to return so that he can be with you and Noah again soon.*

“ My thoughts and prayers are with you, Noah and the family. Jim was a great man, loving husband, and outstanding father. God surveyed the land looking for a good soldier. He found one of the very best in Jim. May God continue to enfold you in his loving arms and his hands on your family.

From your friend and brother always

Rosa and Family,

Our heartfelt condolences.

Here is a poem someone shared with me years ago:

*Hold fast to your memories,
To all of the cherished moments
Of the past,
To the blessings and the laughter,
The joys and the celebrations,
The sorrows and the tears.
They all add up to a treasure
Of fond yesterdays
That you shared and spent together,
And they keep the one you loved
Close to you in spirit and thought.*

*The special moments
And memories in your life
Will never change.
They will always be in your heart
Today and forevermore.
-- by Linda E. Knight*

You are in my thoughts and prayers.

Best regards ~ Renee Loge and family

“ Hi Rosa,

*The loss of a loved one causes us great pain, so we must have the strength to face it and the big question is where or how that strength is obtained. Believe me we all have that strength, only to find it, many people just have to get up and go on with their life (being aware that they have suffered a great loss) some more we must seek within ourselves that strength, but how: we must take a few moments to Reflect and understand that life has been given to us to live and share it, we decide with whom to share it so now we have to make a small change to always remember the loved one who left and continue to share our life with the people who are next to us .
my deepest condolences

“ Rosa, Noah and Kamisha,

Please know that you have my prayers of comfort and support. Willie (Jim) and I worked together for many years in Indianapolis and he always had a upbeat and lifting word for everyone or a joke quickly followed by his infectious laughter. He was a sweet and kind soul. Many share the pain of your loss; he will be greatly missed; but will live for eternity in our memories. God bless you.

“ Willie and I worked at HUD together in the Indianapolis office. He trained me when I came on board in Dec 1990 and he and I became fast friends. His sense of humor and his ability to teach others helped me to develop a love and passion for my job. His jokes and ability to see the funny side of things made the work days go by faster. He introduced me to food that I might never have otherwise tried and he made fast friends with my kids Rikki (Gator Bait) and Ryan (Fly Trap) lol. They enjoyed visiting the office and he would always have a treat for them. He cared about his job and he got along with everyone. I am saddened to see such an incredible spirit leave this earth. My prayers are with his family as they move through this place. May God surround them with comfort and peace.

“ Rosa and Noah,

Please know that we are in prayer for you, we love you and will forever be here for you.

Going to really miss Jimmy Lee (my name for him) telling me "Hey Mair" when I talking to you Rosa. Jimmy Lee was a such sweetheart who would do anything for anyone - he will surly be missed by all of us who had the pleasure of knowing him.

Love you Jimmy Lee - Rest in Paradise until we meet again.

“ Willie was simply a sunshine that never ended! Luckily for me I met him thanks to my husband's friendship all these years. Willie was always positive and made everyone feel special no matter where they came from. He took time to wish me a Happy Mother's Day this year and I will always remember that call.

God Bless him and his family, now and always.

“ Willie (Jim) worked with me in Indianapolis. We became friends, playing golf, pool, etc. Willie was a person who loved life, his family, and friends. He was expert at teasing and trash talking, especially during a golf match. I loved him as my best friend, always there, calling and supporting me when I was down. May his family know peace, as he was a believer in the Lord and rests with him now.
